RE: COVID-19 Response

Dear Members,

Per the guidelines set forth by the Kansas Department of Health and Environment, we will be closing our lobby for two weeks effective Saturday, March 21st, 2020. Our business will remain in full operation via our drive-up window, email, phone, home banking, and our mobile app. Our ATM is still available, and you can also use the 50+ AllPoint ATMs in Wichita. We apologize for this inconvenience, please know this decision was made diligently with the health and safety of our members and staff in mind. We will notify you of ongoing changes via our website and social media.

Again, we remain here ready to serve you. We ask for your continued patience with the adjustments we are making to how we serve you. We continue to monitor all developments regarding the COVID 19 virus. Should we have to make any further adjustments to our service we will notify you immediately via our website and social media (Facebook & Twitter).

I understand this is a time of great concern for all our members regarding the future. But I firmly believe we will all weather this storm and emerge on the other side.

Thank you for your membership and if you have any questions, please call us at (316) 978-3666.

Sincerely,

Kory Phillips
President/CEO
