Vacation Loans

Summer is for vacations, so don't worry about not having enough money to go on yours. Campus Credit Union has vacation loans available for you to go on the vacation you've been needing all year long. Stop in or call to speak with one of our loan officers to see if you could be approved for our vacation loan.

Line of Credit

Campus Credit Union is excited to announce that lines of credit (LOC) are back! Our loan staff is trained on the paperwork and procedures to follow, and are waiting to open you a line of credit.

Top 4 Reasons You Should Open a Line of Credit:

1. The LOC overdraft set up for your checking account has the lowest transfer fee of all overdraft options.

2. LOC allows you to control your own borrowing. As the LOC is paid down you will have access to transfer funds from the LOC using Home Banking for FREE. No loan applications and no waiting for approval.

3. Lines of credit can be as high as \$15,000 so it makes it easy for you to borrow money for home improvements, vacations, car maintenance and more.

4. The interest on an LOC is lower than our credit card interest (which is the lowest credit card interest in town) and the repayment is 3% of the balance.

Stop in or call to see how you can have the power of borrowing in your hands.

Star Rewards

A vacation is a great way to take advantage of getting points for the Star Rewards program!

Every time you use your card you will get points that will be redeemable for great travel

discounts and merchandise.

The Star Rewards program has five different rates each depending on your credit score. Since we have the lowest fixed rates in town, it's easier to pay off your credit card.

The EMV credit card chip better protects you from fraud so you can shop knowing that your funds and information are safe. You can also view your credit card transactions and more at ezcardinfo.com.

Allpoint

If you haven't heard, you can now access your money worldwide, surcharge free. If you're vacationing in Canada, United Kingdom, Puerto Rico, Australia, or Mexico there are ATMs available to you.

Allpoint is also now available at Kwik Shop! That means Wichita alone has about 145

Allpoint locations available for you to use. Allpoint continues to grow and add more ATMs to their network so you can have access to your money from just about anywhere.

Stay up-to-date with what ATMs are available wherever you are by downloading the "Allpoint ATM locator" app on your smartphone. If you don't have a smartphone go to www.campuscu.org click the Product/Services tab, then choose Checking and then type in your zip code to find Allpoint ATMs near you.

Need More Savings?

CCU allows you to save for particular needs in your life. You are allowed to open up to 9 savings accounts for anything from an emergency fund to buying a house. The best part is these accounts are separate from your Christmas or Vacation accounts and they also accumulate interest. Call, stop by, or visit us online to set up your extra savings accounts.
