Campus Credit Union Hires new mortgage lender

Please welcome Campus Credit Union's new mortgage lender Eric Walsten, Eric has decades of experience in the mortgage lending world, and we look forward to what he will bring to our credit union.

Eric wanted to take a moment and talk about what the differences between being pre-qualified and pre-approved means in the world of mortgages.

- Pre-qualified
 - A quick incomplete evaluation of your credit and financials.
 - An estimate of the loan you may be able to receive.
- Pre-Approved
 - A complete evaluation of your credit and financials.
 - Goes through underwriting processes.
 - The true evaluation of the loan you can obtain.
