Dear Member,

Thank you for your membership with Campus Credit Union (CCU). As you know, the past several years have brought tremendous change to our credit union. Between expanding our field of membership and system upgrades, we have done many things to improve our financial institution.

We also continuously evaluate our products and services, hours of operation, security, technology, and branch locations to ensure we are always doing what is best for the membership and the credit union.

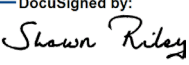

The CCU main branch located at 1845 Fairmount will no longer be in service after close of business on Friday, June 30, 2023. Rest assured; you will continue to see the familiar faces of this branch as these employees will assume roles at other CCU branch locations.

In making the decision to close the branch, our primary concern is maintaining the exceptional member service you have come to expect. There will be no interruption to service or to your account access. In a mutually agreed upon decision between Wichita State University and CCU, the main branch ATM will remain at its current location.

If you need to visit a branch, our Rhatigan Student Center (RSC) and 21st Street locations are both within a mile of the main branch location. We also encourage you to utilize the CCU online and mobile features.

We will continue to make decisions in the best interest of our members. CCU remains dedicated to providing you with financial solutions to fit your life and will continue our tradition of outstanding member service. Thank you for continuing to bank with us. We look forward to serving you now and in the future.

Sincerely,
